

Fri'd Pickles

Shrimp

Fresh Oysters

Hi!

Bubba was born on his daddy's boat, right out there on the Gulf one hot summer day. That's right...that's the boat right above our drink'n spot.

Bubba's momma, "Momma Queenie" was always cook'n. Her seafood and fri'd pickles are the stuff of legends. Bubba learned it all – how to catch the biggest and best seafood, and how to cook it to perfection. One day he found this here run-down shack. He got to think'n and decided to open his own restaurant so you good folks could enjoy the bounty.

Bubba spends most of his time on the Gulf fish'n, but he has been known to drop in, pull up a stool and tell tales...like about the "big ole hurricane" that almost sunk the whole island!

If you're really lucky, he'll tell you about the record grouper he caught a few years ago. It fed 25 people once he got it fri'd up.

Bubba and the rest of us hope you enjoy your meal and come see us again really soon!
